CORPORATE
# Tic Tac Toe

## A tic tac toe tournament for your whole company.

Turn your company event into a knockout of the game everyone knows, on everyone's own phone. Share one link. No app to download. Easy for you to set up, fun for every player.

## WHY ORGANIZERS CHOOSE IT

1. **Ready in minutes.** Pick the day, the time and the size. Start free, change anything until the game begins.
2. **Everyone plays on their phone.** Players open one link and type a display name. A plain 3 by 3 board, three in a row wins.
3. **Your name and logo.** Your company name and logo show on every player's page.
4. **Fair for everyone.** The software, not a person, draws the bracket from a sealed seed. Its fingerprint is public before anyone joins, and the secret is shown after the start so anyone can check.
5. **Your team can help.** You, up to 5 Hosts and any number of Co-hosts. Only one payment is needed, from any one of you.
6. **A free AI helper.** Paste your AI link into your own AI chat. It builds the draft. You press publish and pay.
7. **Players pay nothing.** Players never stake money. No cash prizes, no betting. Any gift is supplied by you, outside the product. We provide the software and never hold or pay prize money.
8. **Privacy that is easy to explain.** Player names are erased within 24 hours after the game, and also when a game never starts. Designed to follow India's DPDP Act, the EU GDPR and US state privacy laws such as the CCPA.

## HOW IT WORKS

### 1 Build your game

Pick the day, the time and the size. It is a free draft until you publish.

### 2 Invite your people

Share one link in Slack, Teams, Zoom chat, e-mail or WhatsApp. Show the big screen in the room or on a video call.

### 3 Pay once, then play

Pay once for the game, before it begins. The bracket plays itself on phones, and the software works out the winners.
